G.A. Murdock EZ Faucet Adapters

EZ Faucet Adapters

G.A. Murdock's EZ Faucet Adapter provides a simple connection for installing any water system, from ultra pure to under-the-sink carbon filters.

The EZ Faucet Adapter has the following features:

- All plastic design eliminates corrosion
- Mur-lok® Fitting for quick installation
- Easily connects between standard kitchen sink faucet and supply tube
- Adapts to corrugated, braided plastic/stainless steel supply tubes
