

# Homespring™ Ultrafiltration System by GE

Safer, more pure water from every tap in the home. The revolutionary Homespring™ Ultrafiltration System by GE filters water at the point of entry – protecting the entire home by providing an effective barrier to undesirable micro-organisms, turbidity and particulates. GE is the world's leading provider of ultrafiltration membrane systems, currently recognized as the most advanced water treatment technology desired by municipalities and industries around the world.

- Ultrafiltration membrane technology filters municipal, well, cistern, lake and river water.
- An optional Activated Carbon Pre-filter improves taste and minimizes unwanted odors.
- The Homespring™ Ultrafiltration System by GE provides a continuous supply of crystal clear water. If the power fails, the system continues filtering.
- The Homespring Ultrafiltration System by GE is engineered to automatically flush itself clean. It automatically flushes impurities down the drain during a pre-selected time each day.

# Technical Specifications

Homespring™ Model Number	UFC211, UF211
Maximum Peak Flow Rate	Up to 11 gpm (42 lpm)
Maximum Continuous Flow Rate	4.5 gpm (17 lpm)
Minimum Temperature / Maximum Temperature	>32 °F (0 °C) / >100 °F (38 °C)
Maximum Ambient Temperature	140° F (60° C)
Approximate Flush Volume*	12 gallons (45 litres)
Typical System Efficiency*	95%
Estimated Carbon Filter Capacity (Optional: Model UFC 211 only)	130,000 gallons (0.49 million litres)
Advanced Plus Controller Voltage (VAC)	120 / 230

\*Depends upon model, water quality and flowrate.

## Capacity

Number of people in home	5 or more
Number of bathrooms	2.5 - 3.5

## Filtration Technology Comparison

Typical System Capabilities	Homespring™ Ultrafiltration System by GE	Ultra-Violet Systems	Ozone Systems	Reverse Osmosis Systems	Chlorine Systems	Carbon Filters
Efficient self-cleaning	YES	SOME	NO	NO	NO	NO
Keeps filtering when power fails	YES	NO	NO	YES	SOME	YES
Improves taste**	YES	NO	SOME	SOME	NO	YES
Removes cloudiness (turbidity)	YES	NO	NO	YES	NO	YES
Removes bacteria and viruses	YES	NO	NO	YES	NO	NO
Removes parasites	YES	NO	NO	YES	NO	SOME

\*\* When installed with the optional activated carbon pre-filter.
